Profile

David Stonesifer began his career as an intern in the tax department with Herbein + Company, Inc. in 1995. Upon graduation from Albright College in 1996, he joined the firm's audit department. During the ensuing twelve years, his demonstrated commitment to clients and dedication to the accounting profession helped to earn him the distinction of being the first firm intern to achieve the position of Partner. Stonesifer also leads the firm efforts in recruitment of professional staff at the collegiate level.

Dave is responsible for all aspects of services provided to clients with an emphasis in the manufacturing and distribution industries. He also specializes in providing consulting services to clients in the dairy and food processing industries. In this capacity, he provides cost analysis, cost benchmarking studies, and other management advisory services to companies in these industries.
